Dear Colleague:

It is a pleasure to share with you just a few of the highlights from AANA17—the 36th Annual Meeting of the Arthroscopy Association of North America.

As the largest arthroscopy-only event of the year, we are confident that AANA17 will be well worth the time away from your practice. The Annual Meeting promises to deliver on AANA’s reputation for cutting-edge scientific research, no-nonsense discussion and debate, and practical information that you can put into practice right away. Of note this year, we have reworked the Friday afternoon concurrent sessions to offer a broader range of topics, interesting new formats, and a schedule consistent with common scopes of practice.

Great Britain is this year’s featured nation and several of our colleagues from “across the pond” will be joining us to lend their perspectives and expertise. We look forward to learning how they navigate quality, efficiency, and physician responsibility in the UK’s unique healthcare environment.

Denver has everything we look for in a venue: a world class convention center in a fun, affordable, and easy-to-get-to city. We expect the meeting experience to be top notch and we are certain that you will find springtime in the Rockies to be amenable to a variety of outdoor activities.

We would like to extend a special invitation to those of you who have never attended AANA’s Annual Meeting. Inclusiveness is a cornerstone of this great organization and we want you to see first-hand how we come together to improve our work, our patients’ outcomes, and our specialty.

We look forward to welcoming you to AANA17!

John C. Richmond, MD
PRESIDENT

Alan S. Curtis, MD
PROGRAM CHAIRMAN

The Gold Standard in Arthroscopic Education
AANA has been surveyed by the ACCME and awarded a coveted Accreditation with Commendation for six (6) years as a provider of CME for physicians. We are proud to be awarded the highest possible recognition and strive for excellence in arthroscopic surgical education.
Denver—The Mile High City—where 300 days of sunshine, a thriving art and cultural scene, diverse neighborhoods, and the Rocky Mountain backdrop combine for the world’s most spectacular playground. Denver offers stunning architecture, its famed 16th Street pedestrian mall, award-winning dining and unparalleled views, all within walking distance of AANA17. Upscale shopping awaits at Cherry Creek, while Denver’s seven professional sports teams showcase the city’s active spirit. Denver is served by nonstop flights from more than 160 U.S. cities and more than 20 international cities in 9 countries. Join us in Denver!

THURSDAY, MAY 18

Highlights

Scientific Sessions:
Shoulder Instability
Rotator Cuff
Knee Ligament
Patellofemoral

FEATURE LECTURES:
Protecting the Young Athlete
Everything You Need to Know about the Anterolateral Structures of the Knee
Where are We Now on Bridge Enhanced ACL Repair (BEAR)?
Patellofemoral Disease: Where are We and Where are We Going?

CLINICAL CASE PANELS:
Rotator Cuff
The Athlete’s Knee

SCIENTIFIC SYMPOSIUM: THE FAILED CUFF, WHAT NOW?

INSTRUCTIONAL COURSE LECTURES 101-108
(See page 7 for details)

TEACH THE TEACHERS: RAISING THE BAR FOR AANA
(See page 8 for details)

INDUSTRY LUNCH AND LEARN SESSIONS (NON-CME)

WELCOME RECEPTION

FRIDAY, MAY 19

Highlights

Scientific Sessions:
Shoulder AC Joint/Biceps
Hip
Foot & Ankle
Shoulder
Elbow

FEATURE LECTURES:
The Use of Biologics in the Foot and Ankle
Avoiding Complications in Elbow Arthroscopy
The Role of Ultrasound in My Practice
Using Biologics to Enhance Healing

Check out the Preliminary Program and register at aana.org/AANA17
FRIDAY, MAY 19 (CONTINUED)

CLINICAL CASE PANELS:
Hip
Foot & Ankle

SCIENTIFIC SYMPOSIUM: COMPLEX ISSUES IN THE KNEE
Neurovascular Injuries in the Multiple Ligament Injured Knee
Fracture Dislocations
Tips for Successful Posteromedial and Posterlateral Reconstruction
PCL Based Multiple Knee Ligament Reconstruction in Patients
18 Years of Age and Younger
Multiligament Knee Injuries in Elite Athletes

REHABILITATION SYMPOSIUM: FROM INJURY TO INDEPENDENCE
Hip Pain, Arthroscopy, and Rehabilitation
Ligament Reconstruction and Rehabilitation and Bracing after Knee Reconstruction
The Use and Indications for Biologics in the Athlete
Shoulder Instability in the Athlete, Stiffness, and Rehabilitation after Reconstruction
AC Joint Injuries: From Injury to Independence
How We Get the High Level Athlete Back on the Field
Rehabilitation Tips from the UK

PRESIDENTIAL GUEST SPEAKER: MAJOR DAN ROONEY, USAF
Major Dan “Noonan” Rooney is a fighter pilot with 3 combat tours in Iraq, a PGA Golf Professional, and the founder of the Folds of Honor. He has served as the motivational speaker for two U.S Ryder Cup teams and is a FOX News contributor. A decorated military aviator, Major Rooney is currently stationed at Tyndall AFB Florida as a member of 301st Fighter Squadron. He is a two-time recipient of the Top Gun award and has received many decorations to include the Distinguished Service Medal, Air Force Commendation Medal, Air Medal, Anti-terrorism Medal, and Air Expeditionary Medal.

SATURDAY, MAY 20

Highlights

Scientific Sessions:
- Shoulder Instability
- Knee Cartilage
- Knee Meniscus
- Knee General

FEATURE LECTURE:
Management of Instability in Elite Athletes

CLINICAL CASE PANELS:
- Labral Issues: SLAPS and Instability
- Articular Cartilage Injuries
- Meniscus and Patellofemoral

PRESIDENTIAL ADDRESS: JOHN C. RICHMOND, MD

ARTHROSCOPY JOURNAL LUNCH AND COURSE

NIGHTLIFE DENVER

The Denver music and nightlife scene is scorching. On any given night, you’ll find local and national artists playing a vast array of genres in clubs throughout the metro area. From the chic lounges and happening hot spots in Larimer Square and LoDo to the pulsating dance floors of the South of Colfax Nightlife District, The Mile High City knows how to let its hair down and party in style. Put on your best outfit, grab a group of friends or special someone and explore Denver’s glamorous nightlife.

## Special Events

### Welcome Reception
**Thursday, May 18**  
6:30 pm–8:00 pm  
Join your colleagues in the Exhibit Hall for an evening of catching up with old friends, networking with the leaders in the field, refreshments and hors d’oeuvres, and exploring all of the best innovations that Industry has to offer.

### Business Meetings  
**(AANA Members Only)**  
**Thursday, May 18**  
7:15 am–7:45 am  
Saturday, May 20  
12:00 pm–12:30 pm

### Teach the Teachers: Raising the Bar for AANA  
**Thursday, May 18**  
10:00 am-11:30 am  
Interactive courses that combine didactic teaching with cadaver labs have become the standard of competency based learning of arthroscopic surgery skills. This Instructional Course will focus on improving the teaching skills of orthopaedic surgeons who volunteer at AANA courses in the new Orthopedic Learning Center, as well as any orthopaedic surgeon involved in the education of other surgeons, residents, and fellows.

### Emerging Leaders in Arthroscopy  
**Friday, May 19**  
1:00 pm-3:00 pm  
Join us for the first meeting of AANA’s Emerging Leaders in Arthroscopy! Designed for surgeons in the first 10 years of their practice, the Emerging Leaders program will feature presentations from a past AANA President and the Editor-in-chief of the Arthroscopy Journal. Discover how you can get more involved in AANA!

### Resident and Fellows Day  
**Friday, May 19**  
4:00 pm–8:00 pm  
Developed for recent Fellowship graduates and current Residents and Fellows, the AANA Resident and Fellows Day program provides important information addressing the business of medicine to help early careerists transition into a new practice. The program includes didactic lectures, small-group breakout discussions, our ever-popular Orthopaedic Jeopardy contest, and a BBQ networking dinner with AANA’s Board of Directors, select faculty and leaders in the field.

### Journal Reviewers Lunch and Course  
**Saturday, May 20**  
12:00 pm-1:00 pm  
The editors of *Arthroscopy: The Journal of Arthroscopy and Related Surgery*—AANA’s peer-reviewed journal—will host a lunch for those interested in reviewing or writing papers for the publication. Insight into the review process will be provided. Expectations for paper structure and content as well as reviewer objectives and responsibilities will be outlined.

---

Check out the Preliminary Program and register at [aana.org/AANA17](http://aana.org/AANA17)
**EXHIBIT HALL**

To complement the education sessions, a variety of industry exhibits will be on display during the Annual Meeting. AANA’s Annual Meeting is the premier opportunity to check out the latest equipment in the field—and have your questions answered by arthroscopy specialists—all in one location.

**INDUSTRY LUNCH AND LEARN SESSIONS (NON-CME)**

Observe real-world applications for new tools and techniques first-hand and enjoy a meal and discussion with your colleagues in these intimate, interactive 50-minute sessions. New sessions are added regularly—check aana.org/AANA17 often for the latest updates.

---

**Have you visited arthroscopyjournal.com lately?**

*Arthroscopy* has a new cover this year, reflecting our mission to bring you the most cutting-edge clinical and research articles. We are also releasing new topic-based article Collections on the website each month, including compendiums on Shoulder, Hip, Knee, and more!

Check out the Preliminary Program and register at aana.org/AANA17
AANA17

General Information

**Advance Registration**

Enrollment for all courses is limited. Registrations are accepted and assignments are made in the order they are received. Advance Registration will close on May 5, 2017. Annual Meeting registration is online only. Visit aana.org/AANA17 and click on the registration link to complete the registration form and submit payment with a credit card.

**FEES**

The registration fee includes all continental breakfasts, coffee breaks, reception, registration materials, and general sessions. Members and program participants must register even though no fee is required. Members are required to pay all dues owed to AANA prior to registering.

CME Information

STATEMENT OF NEED

The need for this activity has been determined based on identifying professional practice gaps, previous course evaluations and the AANA Self Assessment. The educational content of this activity was based upon current issues and topics provided by the Arthroscopy Association of North America planning committees and membership.

TARGET AUDIENCE

The target audience is AANA members and other healthcare professionals who desire to improve their arthroscopic knowledge, competence, performance, and patient outcomes.

GLOBAL LEARNING OBJECTIVES

This comprehensive educational meeting provides learners with opportunities to:

1. Examine and apply basic scientific information and technical skills in arthroscopic surgery and update knowledge regarding state-of-the-art advances in arthroscopic surgical treatment.
2. Evaluate the current evidence base for diagnosis and clinical management of joint disorders.
3. Review their current practice management expertise, clinical and technical skills to improve the everyday practice of arthroscopic surgery.

CME MISSION STATEMENT

The Arthroscopy Association of North America (AANA) is a provider organization accredited by the Accreditation Council for Continuing Medical Education (ACCME). The organization exists to promote, encourage, support and foster the development of continuing medical education activities that are free of commercial bias and designed to disseminate knowledge, competence, performance, and improve patient outcomes of those undergoing arthroscopic surgery and to improve the diagnosis and treatment of diseases and injuries to the musculo-skeletal system.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education. The Arthroscopy Association of North America (AANA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDIT™ DESIGNATION

The Arthroscopy Association of North America designates this live educational activity for a maximum of 23.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Arthroscopy Association of North America is approved by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers.
Great Reasons to Attend AANA17

The largest arthroscopy-only event of the year!
Cutting-edge research and lectures
Leading experts debate the hottest controversies
Comprehensive program covering every joint
Industry Lunch & Learn sessions on the latest advances
Exhibit hall with innovative equipment and solutions
