WHY PARTNER WITH AANA?

Rooted in its mission and focused on a vision for the future, AANA brings together organizations who share AANA’s commitment to improving patient care and outcomes in the field.

EDUCATION

AANA IS THE GLOBAL LEADER in arthroscopy and advancing minimally-invasive surgical education, advocacy and skills assessment to improve patient care.

INNOVATION

AANA IS AN INNOVATOR and disruptor re-imagining education and shifting the paradigm on surgical skills training through the use of virtual simulators, electronic platforms, award-winning live surgeries, and an evidence-based approach (PBP) to training and skills assessment.

COLLABORATION

AANA IS A CREDIBLE EXPERT, political powerhouse and advocate for change – the perfect partner to educate the public about your products and services and champion your advocacy issues in healthcare.

ACHIEVEMENTS

- AANA received an AssociationTrends award for the Live Simulcasted Surgeries at AANA18.

- 1000+ orthopaedic residents trained to master surgical techniques and knot-tying using the pioneering FAST (Fundamentals of Arthroscopy Surgery Training) Program.

- 500+ orthopaedic surgeons train at AANA Lab Courses each year.
